This email is being sent to all California IT Leaders on behalf of the State CIO, Teri Takai.

The *State and Consumer Services Agency* and the *Business, Transportation and Housing Agency* are coordinating a homeowner awareness campaign called **90 Days of Hope** to help homeowners facing foreclosures. The campaign is supported by information available at <http://yourhome.ca.gov/>. We have already given this new web site substantial prominence on the State's homepage at [www.ca.gov](http://www.ca.gov).

I ask each of you to add a link to the new site on your departmental home page. I am attaching a graphic for the new link. Take a look at [www.scsa.ca.gov](http://www.scsa.ca.gov) for an example of the link's placement.

Thanks for your assistance with this request.
