May 20 | 8:30 am - 12:00 pm

Training & Education Center Session May 20

10860 Gold Center Drive, Suite 100, Bldg 1
Rancho Cordova, CA 95670
training@state.ca.gov | (916) 739-7502

Hosted by: Eric Steen, Board of Equalization (BOE), Project Director, Centralized Revenue Opportunity System (CROS); Chris Kahue, BOE, Technical Project Manager, CROS

Objectives of this session:

- ◇ Promotes a project approach that mitigates common risks - data conversion, interfaces, lack of subject matter expertise
- ◇ Promotes an assessment of the organizations implementation readiness and ends with a motivated, knowledgeable team that is able to deliver

Suggested audience: Executives and managers planning IT modernization: Executives, Sponsors, Project Directors, Project Managers and their teams.
